

Huby CE Primary School
Spiritual, Moral, Social and Cultural Policy

Only our best will do, be kind to one another

Our vision is for everyone to have a thirst for learning within a high quality, caring, inclusive school built on Christian values. We foster an environment where children show respect and kindness to one another and the world around them and who are prepared for an ever-changing world.

**Colossians 3:23, 'Whatever you do, work at it with all your heart'.
Friendship, Respect, Perseverance and Courage**

At Huby CE Primary school, the children and their learning are at the very heart of every decision made. We promise to provide a high quality caring, inclusive education built on Christian values.

At Huby CE Primary School we recognise that the personal development of pupils, spiritually, morally, socially and culturally, plays a significant part in their ability to learn and achieve. We therefore aim to provide an education that provides pupils with opportunities to explore and develop their own values and beliefs, spiritual awareness, high standards of personal behaviour, a positive, caring attitude towards other people, an understanding of their social and cultural traditions and an appreciation of the diversity and richness of other cultures.

All curriculum areas have a contribution to make to the child's spiritual, moral, social and cultural development and opportunities for this will be planned into all lessons. A vast majority will also be planned and delivered through cross curricular activities as well as specific RE, PHSE, Collective Worship and Circle Time activities.

All adults will model and promote expected behaviour, treating all people as unique and valuable individuals and showing (Christian) love and respect for pupils and their families.

The school community will be a place where pupils can find acceptance for themselves as unique individuals and where forgiveness and the opportunity to start again is fundamental to the ethos of the school.

Pupils will learn to differentiate between right and wrong in as far as their actions affect other people. They will be encouraged to value themselves and others.

Pupils will understand the need for rules and the need to abide by rules for the good of everyone. School and classroom rules reflect, reiterate, promote and reward acceptable behaviour and provide opportunities to celebrate pupils' work and achievements.

General Aims

- To ensure that everyone connected with Huby is aware of our values and principles.

- To ensure a consistent approach to the delivery of SMSC issues through the curriculum and the general life of the school.
- To ensure that a pupil's education is set within a context that is meaningful and appropriate to their age, aptitude and background.
- To ensure that pupils know what is expected of them and why.
- To give each pupil a range of opportunities and time to reflect upon and discuss their beliefs, feelings and responses to personal experience.
- To enable pupils to develop an understanding of their individual and group identity.
- To enable pupils to begin to develop an understanding of their social and cultural environment, and an appreciation of the many cultures that now enrich our society.
- To give each pupil the opportunity to explore social and moral issues, and develop a sense of social and moral responsibility.
- The school will foster a climate whereby all pupils can grow and flourish, respecting themselves and others.

Spiritual Development

Planned opportunities for spiritual development across all areas can be seen across school. At Huby we aim to provide learning opportunities that will enable pupils to:

- Sustain their self-esteem in their learning experience.
- Develop their capacity for critical and independent thought.
- Foster their emotional life and express their feelings
- Experience moments of stillness and reflection.
- Discuss their beliefs, feelings, values and responses to personal experiences.
- Form and maintain worthwhile and satisfying relationships
- Reflect on, consider and celebrate the wonders and mysteries of life.

Moral Development

At Huby we believe that a morally aware pupil will develop a wide set of skills and ultimately they will know 'right from wrong', based on knowledge of moral codes of their own and other cultures.

At Huby we aim to provide learning opportunities that will enable pupils to:

- Distinguish between right and wrong.
- Develop the ability to think through the consequences of their own and other's actions.
- Recognise the unique value of each individual.
- Have respect for others' needs, interests and feelings.
- Gain the confidence to cope with setbacks and learn from mistakes.
- Take initiative and act responsibly with consideration for others.
- Show respect for the environment.
- Make informed and independent judgements.

All classes at the start of the school year will discuss and create with their pupils a code of conduct for the classroom based on the values held by the school. We teach the children to be aware of their actions, take responsibility for their own bodies and encourage independence. We will help the children to identify their feelings and reflect upon them so that they are expressed in a behaviour that is socially acceptable. Each class will have its own system of praise and we will endeavour to raise the self esteem of all pupils and encourage the development of the 'whole' child.

Social Development

At Huby we aim to promote opportunities that will enable pupils to:

- Develop an understanding of their individual and group identity.

- Learn about service in the school and wider community.
- Begin to understand the Christian imperative for social justice and a concern for the disadvantaged.

Cultural Development

At Huby we aim to promote opportunities that will enable pupils to:

- Recognise the value and richness of cultural diversity in Britain, and how these influenced individuals and society.
- Recognise Christianity as a world-wide faith.
- Develop an understanding of their social and cultural environment.
- Develop an understanding of Britain's local, national, European, Commonwealth and global dimensions.

Teaching and Organisation

Development in SMSC will take place across all curriculum areas, within activities that encourage pupils to recognise the spiritual dimension of their learning, reflect on the significance of what they are learning, and to recognise any challenges that there may be to their own attitude and lifestyle.
