Huby CE Primary School operates a before and after school club known as Huby Herons offering wrap around care to all pupils of Huby CE Primary School. The club is self-funded and non-profit making. The policies and procedures for children attending Huby Herons will remain the same as those used by the school with the same expectations of both pupils, staff, and parents. This will include, but is not exclusive to, Child Protection, Safeguarding and Health and Safety as well as following the procedures for dealing with and reporting accidents and incidents. Information and parental permissions given for your child on admission to School, will be used in the same context for children attending Huby Herons e.g. contacts, medical details, social media, photographs etc.

2. Admissions

Huby Herons aims to be accessible to children and families from all sections of our school community. Admission to Huby Herons is organised by the school office and we will use a waiting list system if the need arises. The waiting list will be operated on a first come-first served basis with the exception of siblings who will have priority for the same days as a sibling already attending.

3. Sessions/Activities

A small breakfast at the morning sessions and a healthy snack will be offered at the afternoon sessions. Fresh water is always available. Dietary requirements and allergies will be taken into consideration and parental preferences if possible.

To ensure a guaranteed place for your child on a specific day, please book your sessions in advance on ParentPay.

If there are vacant spaces these may be offered on a daily ad-hoc basis. However, you will need to enquire at the school office at least 24 hours in advance for confirmation of places available.

There will be a range of activities on offer each day and children will be supervised by a member of staff who will be employed as an out of school club supervisor/assistant. Activities may include the following: physical play, construction, den building, cookery, crafts, etc.

Out of school clubs are designed to provide a safe and stimulating play environment for all, with safety and enjoyment of equal value. As a result, all children attending Huby Herons will be expected to follow and abide by the school behaviour policy, as they do during the school day. Staff will respond to and report behavioural incidents in the same way. This will include a short-term exclusion from Huby Herons if it is deemed necessary.

7. Arrivals and Departures

Children arriving on a morning need to be brought to the main entrance of school. Pressing the buzzer on the front door will alert staff of a child's arrival and they will greet the child and register their attendance. Children being picked up in the evening should be collected from the main entrance and will be signed out when they are collected.

We expect children to be collected by people known to Huby Herons staff. If a different person is collecting your child on a particular day you must notify us in writing in advance. Children will not be released to an unknown person.
