Homework

Over the first few weeks, we ask the children to read at least 4 times a week and have a parent initial their Reading record book. If the children read 4 times they are entered into a prize wheel which if they win will receive a prize. Reading is the most important tool we can teach the children and has always been a large

focus and will continue to be throughout the year.

Children will be given a CGP book and will be given homework tasks weekly to complete within. These will be given out in due course.
