

Governor Priorities

Teaching and Learning

- To raise levels of attainment and progress through:
- Ensuring high levels of differentiation
- Ensuring the most able are challenged
- Improving reasoning of maths
- maintaining good teaching with the aim of all teaching being judged as outstanding

Leadership and Management.

- Ensure all governors have a good and consistent knowledge of Huby School and their role as governor
- Ensuring we have a strong strategic plan, including succession in order to secure the best future for Huby School
- Maintaining strong links with staff and work consistently with subject and middle leaders.

Behaviour and Safety of Pupils

- Ensuring a strong Christian ethos is maintained throughout the governing body and school where values are lived out by all members of the school community
- Ensuring all safeguarding duties are fully discharged.
