

HUBY CE (VC) PRIMARY SCHOOL CHARGING AND REMISSIONS POLICY

'Only my best will do, be kind to one another'

'Whatever you do, work at it with all your heart' Colossians 3v23

Introduction

The purpose of the policy is to ensure that there is clarity over those items which the school will provide free of charge and for those items where there may be a charge.

The policy has been informed by the LA policy (See Schools Finance Manual) and the DfE guidance.

A summary of this policy will be included in the School prospectus.

Definition

The school day is defined as: 8.45-3.30pm. The midday break does not form part of the school day.

Responsibilities

The headteacher will ensure that staff are familiar with and correctly apply the policy.

The Governors will review the policy annually.

Policy statement

- During the school day all activities that are a necessary part of the National Curriculum plus religious education will be provided free of charge. This includes any materials, equipment and transport to take pupils between the school and the activity. It excludes charges made for teaching an individual pupil or groups of pupils learning to play a musical instrument.
- Voluntary contributions may be sought for activities during the school day which entail additional costs, for example field trips or performances. From time to time we may invite a non-school based organisation, such as a visiting drama group or storyteller, to arrange an activity during the school day.
- No pupil will be prevented from participating because his/her parents cannot or will not make a contribution. However, if insufficient funds are available, it may be necessary to curtail or cancel activities.

Optional activities outside of the school day

We may charge for optional, extra activities provided outside of the school day, for example football club, theatre visit, creative club. Such activities are not part of the National Curriculum or religious education.

Education partly during the school day

If a non-residential activity happens partly inside the school day and partly outside of it, there will be no charge if most of the time to be spent on the activity falls within the school day. Conversely, if the bigger proportion of time spent falls outside of the normal school day, charges may be made. When such activities are arranged parents will be told how the charges were calculated.

Residentials

Charges will be made for board and lodging, except for pupils whose parents are in receipt of eligible benefits.

Other charges will be made to cover costs when the number of school sessions missed by the pupils totals half or more of the number of half-days taken up by the activity. In such cases parents will be told how the charges were calculated.

Transport

School cannot charge for transporting pupils to or from the school premises where there is a statutory LA obligation to provide transport or for educational visits. However, schools can request a voluntary contribution towards transport costs where it is provided in school hours.

Calculating charges

When charges are made for any activity, whether during or outside of the school day, they will be based on the actual costs incurred, divided by the total number of pupils participating. There will be no levy on those who can pay to support those who can't or won't. Support for cases of hardship will come through voluntary contributions and fundraising.

Parents who would qualify for support are those who are in receipt of eligible benefits.

The principles of best value will be applied when planning activities that incur costs to the school and/or charges to parents.

Eligible benefits

Income Support;

Income-based Jobseeker's Allowance;

Support under part VI of the Immigration and Asylum Act 1999; or

Child Tax Credit (providing that they do not also receive Working Tax Credit and have an annual income, assessed by The Inland Revenue. (No published limit due to difference in individual circumstances)
